INSTRUCTIONS

1. Place the completed Actor Cards one above the other on a table.
2. Now choose the Facilitation Tools you would like the Actors to use and place them to the right of the Actors.
3. For each Actor think of the Actions they need to take to realize and concretize your idea(s) and objective(s). Write Action Cards for the Actors.
4. Place the Action Cards alongside each Actor in the time sequence they need to do them i.e. one Action might be required before another Action.
5. When all the Action Cards are in place with the Actor Cards and Facilitation Tools you have co-created your Action Plan.
6. Go do it!
